Reporting progress from 27/12/2021 – 02/01/2022

Progress:

- Arduino

    1. Finished the given worksheet

    2. Installed the Arduino IDE

    3. Learnt to construct simple programs

- Tinkercad

    1. Created a tinkercad account

    2. Learnt to make basic circuit simulations in tinkercad

- Read up on Ultrasonic sensors

Difficulties faced:

    1. Had a little difficulty visualising connections on the bread board
